Members of the press or media should see the Media Accreditation page available through the official web pages for the Gathering. Official CSMG representatives will be recording some CSMG events and functions in part or in full, and the U.S. Conference of Catholic Bishops (USCCB) may make them available after the meeting for official purposes. By your attendance at CSMG, you hereby agree that you may be photographed, videoed, or recorded and that such photography, video, and/or recording will be owned by USCCB and may be edited, modified and distributed by USCCB in any format chosen by USCCB. All credentialed media are required to abide by regulations of the hotel or risk losing their credentials. **Upon arrival at CSMG 2023, report first to the CSMG Registration desk to receive your official CSMG ID badge (to be worn at all times).
