

Lend a Hand

Vocal, Guitars One Octave lower

We live in a world of plenty but there are many who do with out

Jus-tice calls all God's children to lend a hand turn this a-bout

Brothers sisters please lend your hand to end poverty throughout our land

All God's children can be free if you join your hand with me -

Let's make a world where no child suffers fear where every one is free

Brothers sisters please lend your hand to end poverty throughout our land

All God's children can be free if you join your hand with me -
