

Passing on Hope

A Program to Help Refugees and Other People on the Move

The ***Passing on Hope*** donor program was established by the United States Conference of Catholic Bishops, Migration and Refugee Services (USCCB/MRS) over ten years ago to enable former refugees to assist newly arriving refugees to the United States with their initial resettlement and welcome. After all, who better knows and understands the needs of refugees than those who have had that same experience? While former refugees are still the core supporters of the program, USCCB/MRS invites anyone with a heart of compassion for refugees and the dire circumstances that have forced them to flee family and country for a new life in a strange land to pledge their support with a gift to the ***Passing on Hope*** donor program.

Your gift will also enable USCCB/MRS to be a voice of advocacy for those we serve and help us achieve our mission of service to unaccompanied refugee and migrant children and victims of human trafficking. To learn more about our mission and get involved, please visit www.usccb.org/mrs.
