## **Urge Congress to Enact the Conscience Protection Act**

The Conscience Protection Act is much-needed, common-sense legislation which will clarify federal law and ensure that those who provide health care and health coverage can do so without being forced by government to help destroy innocent unborn children. [Please take a moment to let your representatives in Congress know that we expect them to protect our most cherished liberties.](#)

## **Conscience and Dignity**

By Aaron Matthew Weldon

For years, the Federal Emergency Management Agency (FEMA) had maintained a policy of excluding houses of worship from federal disaster relief grants simply because of their religious nature. Thanks be to God, FEMA has changed its unjust policy. [Read more.](#)
