SPONSORSHIP PACKET

You are invited ...

Dear Friends in Christ,

On behalf of the U.S. Bishop's Committee on Cultural Diversity in the Church, it is my pleasure to invite you to partner with us in a one-of-a-kind opportunity, *Journeying Together: An Intercultural Encounter for Ministries with Youth and Young Adults*.

The national event envisions an intercultural dialogue on the accompaniment of young Catholics in the United States. The Holy Spirit guides us in this endeavor. But the success of this event, and its long-term fruitfulness, also hinges on our ability to ensure a fair representation of various ministries, as well as of young leaders of diverse cultural, ethnic, and socioeconomic backgrounds. We need your help to make it happen!

Your donation and sponsorship will help us make their voices heard and empower them to be both the protagonists of their own history and evangelizers of their peers. Please also consider participating or exhibiting as an organization. Grateful for your generous consideration, I remain sincerely yours in Christ.

Most Rev. Nelson J. Pérez, D.D.

Archbishop of Philadelphia

Chairman, Committee on Cultural Diversity in the Church
United States Conference of Catholic Bishops

Let's journey together!

After national and international happenings such as the V *Encuentro*, the 2018 Synod on Young People, and the *National Dialogue*, the U.S. Bishops' Committee on Cultural Diversity in the Church sees it as imperative for the Church in the United States to gather all the cultural and ethnic families and ministry networks that form the very diverse mosaic of youth, young adult, and campus ministries in our country to chart a path forward together.

Since July 2020, hundreds of young adults and ministry leaders, accompanied by dozens of Catholic bishops and eparchs have been *Journeying Together* virtually, learning to listen to one another, to walk in each other's shoes, to dialogue, and to contemplate matters of faith and life from both intracultural and intercultural perspectives. Now we aim to bring these leaders together in person to experience the joy of encounter and unity in diversity, and to complete the journey towards a ministry that is welcoming of everyone's gifts and one that inspires and propels them to be fully alive for Christ, for the Church, and for one another.

It is of the utmost importance that the learnings from these and other efforts, as well as the message of Pope Francis' apostolic exhortation, *Christus Vivit*, reach young people and ministry leaders of diverse ethnic, cultural, and socioeconomic backgrounds. Your sponsorship will make a huge difference in our ability to bring about this unique effort to promote dialogue, prayer, learning, networking, and the building of friendships and relationships across cultural boundaries, in service of all youth and young adults in the United States.

Please help us honor young people's expressed desire to walk and grow together in faith! This packet contains different sponsorship options for you to consider. I am most grateful for your time, attention, and generosity.

Sincerely,

Maria del Mar Muñoz-Visoso, MTS
