REFLECT

Each year during Advent, we prepare our hearts to celebrate the birth of Christ our Savior at Christmas. As we anticipate this joyful celebration, we recall the journey of the Holy Family from Nazareth to Bethlehem. Far from home, poor, and in great need, Mary and Joseph find refuge in a simple stable. But this humble setting among the livestock soon welcomes the heavenly host of angels and the infant Jesus, himself.

Today, women in our own communities are pregnant, poor, perhaps without a home, and in great need. They may feel alone, scared, and overwhelmed, not knowing where to turn. In challenging circumstances, expectant mothers need a refuge of their own. Like the Holy Family, they may be reliant on the kindness of others. May the story of the first Christmas inspire us to reach out to mothers in need. May we proactively seek to offer loving support and encouragement as they prepare to welcome their children. By answering this call, may we help mothers experience the joy, hope, and peace of the Christ Child.

DID YOU KNOW?

The Immaculate Conception (<https://bit.ly/immaculate-conception>) celebrates Mary being conceived in the womb of St. Anne without the stain of original sin. This solemnity is sometimes confused with the Annunciation, in which the Church celebrates the conception of Jesus in the womb of the Blessed Mother. While it's important to understand this distinction, both celebrations highlight the beauty and goodness of God's gift of new life.
